SUBJECT

Representation of Sri R. Chandoolal Bombaiwala for Assistant Commissioner.

Representation of Sri Chandoolal, Amildar

2223/cB

Letter no: A.I. 1559/45-50 of 18/11/1949 from the Rev. Comr forwarding the representation of Sri R. Chandoolal, Amildar praying that he may be promoted to the cadre of Asstt Comrs.

A 1) Sri R Chandoolal, Amildar, Hirakote states that he held the 17th rank out of the 20 confirmations ordered in his batch and that some of his juniors of his batch namely S/Sh. J Veerappa and Gunapalan and also other juniors who are yet awaiting confirmations as Amildars, have been promoted to the cadre of Asstt Comrs his claims being repeatedly overlooked for reasons unknown to him. The Revenue Comr while forwarding the above representation invites reference to his views expressed in the confidential report of this officer.

B 2) An extract of the confidential report is placed below for perusal. Both the D.C Bijapur and the R.C are of opinion that the record of work of this officer is not satisfactory. Evidently the R.C is not in favour of supporting the case of Sri Chandoolal for promotion to the cadre of Asstt Comrs.

3) The present representation may perhaps be examined after receipt of Consolidated proposal from the R.C re the promotion of Amildars to the cadre of Asstt Comrs.

5) The CB. collection - 313-48 relating to the inclusion of names of certain Amildars in the list of officers eligible for promotion as Asstt. Comrs is placed below. (flag H) for A reference to para 32 of the note, in the collection shows that Sri Chandoolal is one of the Sri amildars whose names were not recommended for inclusion in the list on view of unfavourable confidential reports. Sri Chandoolal's name has, therefore been omitted in the approved list (flag 'I')

28/11/49

6) When the existing list of Amildars eligible for appointment as Asst. Comrs. was approved, the case of Sri Chandoo Lal was also taken up for consideration. The claims of this officer along with a few others were definitely passed over as

"C" as the confl Reports on their work were unfavourable. (vide para 65 of the final note dated 11-1-49). Even the latest report (which places below - Flag B) is not free from adverse remarks and even the Rev. comr. is not in favour of inclusion of the name of this officer in the Eligibility List. In view of the above this is not a fit case for inclusion. If considered necessary this case may be taken up when the list is next revised and if the officer gets a good certificate from his superiors.

To

The Deputy Commissioner,
Bangalore District (Rural),
Bangalore.

Sir,

I beg to enclose herewith my representation addressed to the Chief Secretary to the Government of Mysore, through the Revenue Commissioner in Mysore, Bangalore, for favour of kind & transmission with your favourable recommendation:-

As explained therein great injustice has been done to me by overlooking my claims for promotion. My juniors are being promoted as Assistant Commissioners, for reasons not known to me. I have put in over 23 years of service and I am in my 47th year of age and it will be very disheartening and discouraging to see that my claims are not considered. You are aware, Sir, that I have - tourned intensively in this big Taluk and have reduced pendency in important branches in addition to collections. The percentage of collections is 98.6 so far current demand of 1948-49 was concerned and 93.5 so far as previous - arrears were concerned.

30 wells were completed during 48-49. In respect of Circle Multipurpose Societies, you are aware that this taluk has been given a lead its share capital being now Rs 4026/=0-0At the top of all, the very successful arrange- ments made during His Highness' visit last July must have convinced you of my efforts. I appeal to you to be kind enough to support my case, as on your recommendation only, depends my prospects of promotions now,

I beg to remain,
Sir,
Yours most obediently,
R Govindaraja
Amildar, Hoskote Taluk

Hoskote,
19-10-1949.

at all called for but adversely reported. Local politics made the unwanted man's position still more unpleasant in the Municipality inspite of my hard work and prompt disposals.

Next I was posted as Superintendent of the Beggar Colony under Sri D. H. Chandrasekhariah, Chairman, Central Beggar Relief Committee, Bangalore. Three months after I joined duty and worked there, ~~The~~ Chairman (now the Educational Minister) was kind enough to strongly recommend to Government that I may be given an allowance of at least Rs 100/- per month as he found me ' Temperamentally suited ' to the post. Having had the confidence he wrote to Government and got me authorisation to draw the salary bill of the establishment which privilege he had denied to my predecessor Sri Krishnaji Rao (who is now the Assistant Commissioner) The In-charge Dewan Saheb late Dr. T. C. M. Royan who visited the Beggars(Home nine - months after I joined the duty was pleased to record satisfaction in the Visitor's book (vide Enclosure) Inspite of all this and there being no specific and grave charges or any enquiry and also - there being neither any reverses in service nor condemnations on proved facts, if my claims are to be overlooked every time on the ground that my work ' has to be watched ' I beg to submit I am unduly hit hard and disheartened and discouraged, for all my hardwork of over 23 years.

It pains me most to submit that Seniority, efficiency and hard work are not recknoned as factors to earn promotions at least to the same extent as personal likings and favours go. Because the generous consideration of Government that helped my confirmation in 1947 has not been of any use to - fetch me a promotion in 1948 or till now

Lastly I am now working at Hoskote. I have been doing my best to give entire satisfaction. In this short span I - have toured intensively in this big Taluk and reduced considerably

heavy

heavy pendency in important branches inspite of shortage of hands both clerical and executive and also reduced and arrears under several heads. The percentage of land revenue collections was 98.6 as against 91.4% re: current demand of - 1948-49 and 93.0% concerning previous arrears as against 48.2%.

The disposal of Darkhasts was 79.1% against 64%. The disposal of T.Ts was 88.2% as against 70% and V.P. collections was 87% as against 72% and the number of well works completed was 30 as against 7 in the previous year and Muzrai collections was 90.5 as against 57.5 of previous year. In respect of New circle Multipurpose Societies, this Taluk took the lead in the last quarter of the year 1948-49 and its aggregate share amount is now Rs 40,261-10-0.

Above all the appreciation expressed re: the successful arrangements made during the visit of His Highness the Maharaja and the Revenue and Labour Ministers will adequately support my representation.

I have no ancestral property. I have a big family (12 souls) entirely depending upon myself and my salary. I have put in over 23 years of service and I am in my 47th year of my age. It will be very disheartening to forego the promotions times over even at the tail end of my service in the - absence of proved facts. I therefore appeal to you to reconsider my case and restore my promotion and place.

I beg to remain,
Sir,
Yours most obediently,

H o s k o t e,

Extract of Notes of Inspection of the combined centre for beggars - located at Giddanna's Choultry - by the Dewan I/c and Minister for Education (Dr.T.C.M.Royan) on 3-5-47 at 9.30 A.M.

I visited this place with Mr.Chandrasekharaiya and found it kept clean and tidy. All the in-mates looked cheerful and contented and there were no complaints from any of them. All the Registers are maaintained in orders.

Letter No.B.R.192 dated 13-11-1946 from the Chairman,Central Beggar Relief Committee Bangalore to the Secretary to Government - Revenue Department.

I am herewith enclosing a copy of the representation given by Mr.R.Chandoo Lal, Superintendent, Receiving and Relief Centre for Beggars, praying for the grant of an allowance (other than war allowance of Rs.125/- p.m., In support of it he mentions the kind of work he is called upon to do and also quotes instances where allowances are being paid.

There is no doubt that the work of Beggar Relief is a complicated one involving consideration of several economic and social problems. It requires much care and caution at every step in addition to human sympathy and broad minded-ness. From my experience so far I feel that Mr. R.Chandoo Lal is temperamentally suited for this task and he might be able to carry through it smoothly.

The Superintendent is put in charge of both the Receiving and Relief Centres. By this arrangement, the allowance of Rs.30/- p.m., sanctioned for a seperate receiving Officer has been saved.

He is attending to his official duties both morning and evening. Besides he is called upon often to visit different localities in the City where beggars are to be disuaded or apprehended by Police and also to aid the Court in disposing of cases.

For the kind and type of work mentioned above, payment of an allowance of at least Rs.100 (One Hundred) p.m., would be reasoble. I therefore request the Government to kindly see their way to sanction the same.

Extract from the Confidential report on the character and work of Sri Chandoolal, Amildar, Narsankote made by the Deputy Comr Bilve in Rv. 3908-3957/CR 175-21 of 57/1/49 and the views of the Rev. Commissioner thereon.

Bilve Deputy Commissioner's report:—

"He is an officer who is intelligent and knows good Revenue work. He also tours hard. But he cannot be said to be efficient. He is quite cowardly and cannot maintain discipline or be strict in the discharge of his duties. His office work is also not satisfactory. His reputation is not quite good and it is difficult to call him quite trustworthy. Due to his utter weakness and want of drive the administration of the Taluk has deteriorated very much. His Rural Development work is slack and not satisfactory."

Rev. Commissioners Views on the above report:—

"His record of Work is not satisfactory. The adverse remarks may be communicated to him."
